

NATIONAL SCIENCE FOUNDATION

Request for Public Comment: Interagency Arctic Research Policy Committee

Draft Arctic Research Plan; Correction

AGENCY: National Science Foundation.

ACTION: Notice; correction.

SUMMARY: The National Science Foundation (NSF) published a document in the *Federal Register* of March 9, 2021, concerning a request for public comment on the draft Arctic Research Plan: 2022-2026. The notice was published with two due dates for comments.

SUPPLEMENTARY INFORMATION:

Correction

In the *Federal Register* of March 9, 2021, in FR Doc. 2021–04842, on page 13588, in the second column, correct the first sentence of the “Dates” caption to read:

DATES: Written comments must be submitted no later than June 11, 2021.

Dated: March 9, 2021.

Suzanne H. Plimpton,
Reports Clearance Officer,
National Science Foundation.
